PRESIDENT'S NOTE

By Lori Bechtel

It seems that we jumped right to Summer these past couple of weeks. The weather has been hot but we've had some really beautiful days. I'm happy to say that we had very good weather for the Memorial Day weekend, which doesn't happen often. It has been really nice running into people around the area that we don't see over the long winter months.

As summer moves along and folks return to their cabins, I thought it might be helpful to remind everyone of a few things you can do to help us keep the water clear on the lake:

- Use lawn fertilizers only when truly necessary
- Prevent yard debris from washing into storm drains
- Plant and maintain vegetative buffers along shorelines

Other things happening with Friends of Lake Eau Claire is that our annual fundraisers are well underway and you will see them all mentioned throughout this newsletter. Please support these efforts!

One of our biggest fundraisers is our Sponsorship program. The logos located throughout this newsletter are the sponsors from the past 12 months. We thank them for their past year support. I'm happy to report that 52% of them have already renewed their sponsorship for the next 12 months. We are so grateful for the support these businesses give us. Please patronize them! If you know of a business that would be interested in some excellent advertising opportunities, have them reach out to me directly!

As always, I thank you all for your ongoing support of our beautiful lake! Knowing that it will be around and beautiful for many, many generations to come is what keeps me motivated. Please enjoy your summer and I hope to see you around the lake.

HELLO

ADORN

BECOME A SPONSOR

Now Recruiting! Are you interested in being a 2023-2024 Sponsor?

Each year, the Friends of Lake Eau Claire is fortunate to have sponsorship from local and regional businesses and individuals. Our 2023-2024 sponsors can choose to be a Muskie, Northern, or Walleye sponsor: with each level offering different advertising opportunities. As an example, Muskie Sponsorship includes:

- Annual Golf Outing sponsor recognition on 1 hole
- Newsletter ads equal to ¼ page (our sponsors will be featured in our newsletters for 12 months)
- Recognition on our website as a Muskie sponsor with a link to your website for one full year
- Logo displayed on large sponsor banner at The Woodland Store which is located next to Lake Eau Claire
- Annually featured on our Facebook page as a Muskie sponsor
- Logo displayed on our 2024 calendar raffle.
- Cross promotion opportunities between your website/social media site through the year
- Annual picnic (August) – 2 entries

Along with the benefits listed, we also work with our sponsors to help cross promote events through our Facebook page, which is great way to grow Facebook followers and generate interest in events!

**BECOME A
SPONSOR NOW**

Sponsorship will run from June 1, 2023 – May 31, 2024. Consider becoming a 2022 sponsor today...it's quick & easy!

Simply go to <https://www.memberplanet.com/s/lakeeauclairstassociation/sponsorship> or complete the form at end of the newsletter and mail it back with your payment. Questions about becoming a sponsor, send an email to LakeEauClaireAssociation@gmail.com.

Thank you to the businesses below that have already committed or renewed their sponsorship for the 2023-2024 sponsorship year. Please show your support by patronizing these businesses!

Lake Eau Claire Boat Landings

The Parks & Forest Department with Eau Claire County is/was aware of Lake Eau Claire's boat landing issues prior to spring. We are excited to announce that the county did some repair work in early May. They coordinated having the highway department fix the slabs and also patch the approaches. They are not sure if this will be a permanent/temporary fix or not, but hopefully it will make things easier and safer for boaters. There are some larger renovations planned on the lake's landings planned in the near future.

The Parks & Forest Department has applied for a recreational boating grant to fix the North landing on a permanent basis. The grant application will be evaluated in July and if awarded, they will plan on fixing that landing later this fall. The South landing will be budgeted for a major renovation in 2024. They are hoping to get some money through the capital budget process and possibly another recreational boating grant to help with the funding.

If you feel like this would be a good project and one that you and others could support, please help voice your opinion when the county budget hearings come up later this summer. The more community support for these projects the better!

Wisconsin Department of Natural Resources

Hey, boaters!

Parts of Wisconsin ended a desert-like May with next to no rain. That means some rivers and lakes have low water levels. Lower water levels change boating conditions, making it even more important to be aware of your surroundings and why you should always wear your life jacket.

Keep your speed down and maintain a lookout. The low levels can make docking at a fixed pier difficult, if not impossible. The levels also can reveal more sandbars, which may look solid but are always forming or dissolving with the current. It also can be possible to run any watercraft aground in an area normally considered safe for travel. Rains or a dam release can change conditions suddenly for the boater.

Be prepared for the unexpected. That includes things you can't see beneath or at the water's surface, like floating debris and shifting rocks. Check the weather forecast and conditions before your outing, such as with outfitters or fishing clubs for local water levels.

2023 ANNUAL PICNIC

Our annual picnic will coincide with the annual Lake District meeting. We really hope to see you there!

WHAT: Lake Eau Claire District Meeting starting at 2:00pm followed by the Lake Association Social, Picnic & Annual Meeting

WHERE: The Pavilion at the County Park on SD (clubhouse is under renovations)

WHEN: Saturday, August 19th –

- 2:00PM Lake District Annual Meeting
- Social time – Immediately following district meeting (approx. 3pm)
- Picnic Dinner – 5:00 pm
- Lake Association Annual Meeting

COST: TBD Adults \$12-\$15 and Kids eat free

RESERVATIONS: None needed.

MENU: Summer Picnic Meal being catered by Tugger's Brian's & Trisha's Café & Catering

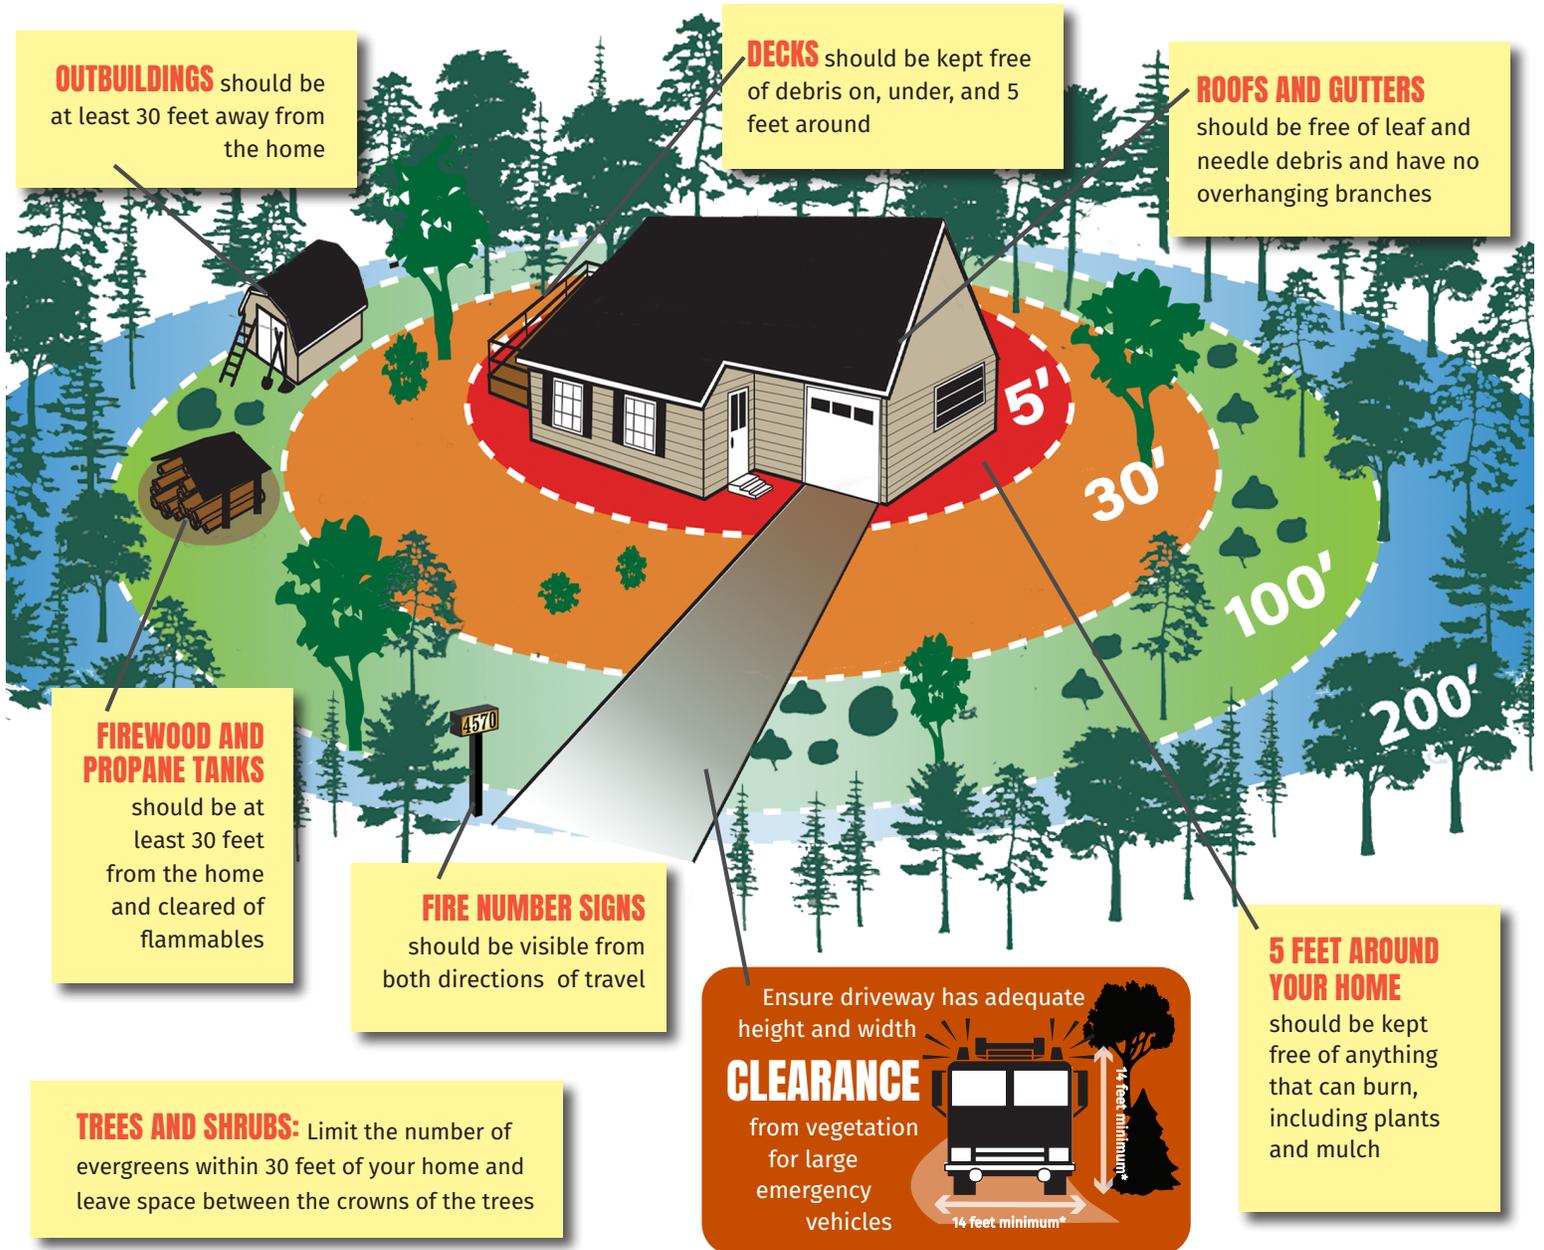

Give a Hoot, Don't Pollute

The winter months were rough on our beautiful lake roads with a lot of garbage showing up along the way. Over the past several weeks, we've had a number of lake residents walk our roadsides and pick up litter along the way. This is a friendly reminder to not throw your trash on the side of road, take it home and properly dispose of it. If you are out and about walking the roads, take a garbage bag with you and a pair of gloves and help us keep the roadside clear of trash.

ADEQUATE CLEARANCE FROM WILDFIRES AND FOR FIREFIGHTERS

The home ignition zone is your home and its surroundings out to 100-200 feet. In this area, vegetation and personal property should be managed and maintained to reduce ignitability and improve the likelihood of your home surviving a wildfire with little or no assistance from firefighters.

For more information on the home ignition zone, go to dnr.wi.gov, keyword "firewise"

Will a fire truck fit down your driveway? In the event of a wildfire in your area, firefighters may need to reach your home. If firefighters cannot safely access your home, they will find an alternative way to get to you that may take longer – and when fighting fire, every second counts.

For more information on wildland fire management, go to dnr.wi.gov, keywords "forest fire"

Membership Mailing

If you haven't had a chance to renew your 2023 membership to the Friends of Lake Eau Claire organization, be on the lookout for a membership mailing. If you want to beat the rush, send in your \$25 membership fee now using the form at the end of this

newsletter or use this link to renew:

<https://www.memberplanet.com/lakeeauclaireassociation>

Thank you for your support!

4th of July Celebration

Mark your calendars!

The fireworks over Lake Eau Claire will be held at dusk on Tuesday, July 4th.

We are now accepting donations for the 2024 fireworks show. Remember, the fireworks show is 100% funded by donations our members make.

Please consider making a donation to the Lake Eau Claire Association Fireworks Fund and then join us for a great show. Also encourage Friends and Family who attend our annual fireworks show to consider a donation as well!

Donate today at: <https://www.memberplanet.com/campaign/lakeeauclaireassociation/fireworks2024>

Boat Parade Reminder!

Ahoy, all you Lake Eau Claire scallywags, buccaneers and mariners! Come join the 35th Annual Lake Eau Claire Boat Parade

When: Tuesday July 4th, 4 pm

Where: The Fresh Water High Seas of Lake Eau Claire.

Rrrrr! It starts – where else – at Pirates Island, the one closest to the south shore boat landing. It ends there too! We've got to give away the awards and booty. And there'll be plenty of grog and refreshments to enjoy while you're getting your awards.

There are 2 divisions: yer Schooners, I mean yer boats – and yer Frigates – I mean yer pontoons. And there's a 1st, 2nd, and 3rd place in both divisions. Make your LEC neighbors green with envy when you win a handsome first place plaque – there's one for each division – and it'll give you bragging rights for years to come.

All winners get winners Proclamation, scrawled by hand by one of your favorite LEC pirates. Properly displayed, you and your descendants can boast! Last year, we had 16 pontoons, and 4 boats turn out. But there's a whole lot more seaworthy craft riding the fresh water high seas. Let's turn out more this year. After all, it's more fun to win than watch.

Rrrrr! Strike your jib and hoist your main sail and we'll see you on the 4th. Rum tee, Bucket tee! For more information, call Chris Nelson (Capt. Howell Davis) @ 715.497.9939 or Mike O'Connor (Capt. Blackbeard) @ 715.577.2269.

Friends of Lake Eau Claire Board of Directors

Did you know that the Friends of Lake Eau Claire board is made up of 12-15 directors from the surrounding lake and local community? We thought it might be nice to introduce you to our board of directors over the course of the year in our newsletters. Each newsletter will feature some of our directors. Currently we have 13 directors. We appreciate all of the time and effort each director puts into different aspects of the managing of our association. A lot of the work that is done goes unseen but can be quite substantial. We thank them all for their efforts!

Al Hendricks – My name is Al Hendricks. I purchased my home on Lake Eau Claire in November 2012. My property is on the South end of the lake on ND Lane. I have been a member of the lake association soon after buying my property. I was elected to serve on the board of directors in 2018. Lake Eau Claire is a wonderful place to enjoy the outdoors and all of the activities it brings. Our goal for Lake Eau Claire is to provide everyone with an opportunity to enjoy what the lake has to offer, from boating to fishing, to just a relaxing day. We try and provide the best solutions to a variety of obstacles. Please feel free to reach out to any board member if there are specific things you do not feel are being addressed.

Cathy Lea - My name is Cathy Lea (rhymes with sea) and I have been a member of the Friends of Lake Eau Claire Board for the past 6 years. My husband (Mike) and I built our home 30 years ago on the south side of the lake, shortly after spending nearly our whole wedding budget on the purchase of our land. It seemed like a wise investment, and the marriage worked out too. We raised two children here and continue to enjoy being on the water in all seasons. You will often find us in our kayaks, in our fishing boat, on our cross-country skis, or sitting on a bucket on the ice. When I'm not on the lake, you might find me out in my garden, traveling, skiing, or hiking. I enjoy serving as a board member because of the passion and enthusiasm others bring to the work. I'm up for reelection this year, so I hope to get your vote!

New Historical Marker - UPDATE

It has taken almost three years, but the State Historical Marker for the Eau Claire River Dam at the county park on SD is finally here! The sign is at the county shop, and we are just waiting on the installation timeframe.

Again, we would like to say thank you to all of our generous donors and for everyone's interest in completing this project. Having two Wisconsin Historical Markers within a mile of each other is a testament to our local heritage.

Boat Parade –4:00 pm July 4, 2023

Fireworks over Lake Eau Claire –July 4, 2023

Golf Outing – Saturday, July 15, 2023

Calendar Winner Drawings – start August 1st.

Lake District Annual Meeting – 2:00 pm Saturday, August 19, 2023

Friends of Lake Eau Claire Annual Meeting & Picnic – Immediately following Lake District meeting Saturday, August 19, 2023

KEEP TROUT FISHING SIMPLE

By Fred Poss

I haven't written about trout fishing in other newsletters because almost everyone immediately thinks of fishing Lake Eau Claire for its walleye, muskie and bass. But our area contains some great trout streams, too...like the Buffalo River, for example. And if fishing for trout is a budding interest, here is a way to get started...simply.

For most situations a fly rod works best, even if you are just swinging a chunk of nightcrawler and a sinker or two. A fly rod 8 to 9 feet in length, in a 4 or 5 weight category, paired with a 3X to 5X leader (tippet) is a great starter outfit. When it comes to fly lines, if you are just learning, a double taper line is practical as it can be reversed on the spool to last twice as long and should be easy to cast.

I could write many articles about specific flies to use in this area, but to keep things simple I recommend some kind of ant, mayfly, mosquito, and nymph. My favorites include a muskrat's regret nymph (made out of muskrat hair), a royal coachman, a black ant, and some kind of grey or black-looking mosquito in sizes 10 to 16 should get you off to a good start.

For more information or to book a fishing trip contact Fisherman Fred's Guide Service @ fredposs@gmail.com

Lake District Update – Sugar’s Landing Upgrades and High Water

Mike Lea - District Chairman

Five weeks of sustained high water put last winter’s dredging and sedimentation traps to the test. Fortunately, ongoing trap maintenance kept the worst of the sediment out of the main body of Lake Eau Claire once again. Small watercraft can now generally navigate from the Eagle’s Nest to Troubled Water’s bridge, and up Muskrat Creek. At Hay Creek, the delta is mostly clear, and you can navigate into the bay. You might even pick up a small walleye or two in the weed beds. For those looking to navigate up the eastern section of the Eau Claire River, the sand delta at Skid Row remains an obstacle, although careful navigation along the shoreline can get you almost to the Skid Row Boat Landing. We plan to tackle that this winter. The Eau Claire County Parks and Forest Department also has long range plans for upgrades at all three public boat landings (Northside, Southside, and Skid Row) in the coming years.

Mark your calendars now for The Lake Eau Claire Rehabilitation District Annual Meeting Saturday, August 19, 2023, at 2pm. This year the meeting will be conducted at the Pavilion at Lake Eau Claire County Park on Highway SD and free parking passes will be provided for attendees. The clubhouse is undergoing renovation and reconstruction, so we will conduct the District meeting at the Pavilion, which will be followed by the Friends of Lake Eau Claire Summer Picnic. This meeting provides important updates on the work that was completed in the last year, planned interventions for the upcoming year, and gives members an opportunity to vote on the mill rate and other important decisions for the District. This is a great way to meet your neighbors and friends who support our lake. More details about the agenda for the District meeting will arrive via mail and email. We hope to see you there.

Sugar’s Landing needed additional tidying and repair after the Hay Creek dredging project. With help from Willie Thomas, a local contractor, the landing looks better than ever. Willie spent several days scraping mud off the road and reshaping the landing. He brought in gravel, planted grass, and continues to visit regularly to ensure the landing area is stable. One concern is that with the new popularity, vehicles are parked in the turn-around area that is designated for launching a boat. Please do not park in the loop area of Sugar’s Landing as this area needs to remain clear to pull around to launch a boat.

Membership for the Friends of Lake Eau Claire is only \$25 per year. As you can imagine, the Lake Association has many expenses during the year. Your membership fee helps pay for things like equipment repairs, website hosting and maintenance, postage and other mailing expenses, newsletter printing, and a host of other things. The dues received are put to good use and spent very wisely. In addition to all that the Lake Association provides today; Friends of Lake Eau Claire

members will now have the opportunity to be enrolled in a texting service that we can utilize during emergency situations. Given the flooding that occurs often, we believe we need multiple options for notifying people of emergency situations and important announcements. This service will **ONLY** be available to members who are up to date on their membership dues. You can renew your membership or join today by going to the following link, <https://www.memberplanet.com/lakeeauclaireassociation>, click the “Join our group” button and fill out the form to “Create an account”. You can also join by mailing your payment to: Lake Eau Claire Association, PO Box 229, Augusta, WI 54722.
